This series will help children develop an understanding of the various cultural groups that have contributed to the Australian identity. Each book presents information from the point of view of a child who is a member of the particular cultural group and explores his or her experiences as they relate to everyday life: special customs and traditions, festivals and foods, family life, continuing ties with the original country, to name a few. Various text types are used throughout the series along with visual literacy elements to reinforce and emphasise these skills.

### Key features:

- ★ Comprehensive text accompanied by photographs
- ★ A map showing where different dialects are spoken
- ★ A story and a recipe
- ★ How to play a game
- ★ A detailed glossary that explains new and difficult words
- ★ An index.
