Environment in Australia PB

Author: Crocombe, G Pyers

Imprint: Echidna Books

List Price: \$14.95

A hot topic for Upper Primary students looking at important environmental issues. This attractive series outlines our dwindling natural resources and examines the pressures on natural and man-made systems. It looks at the causes of the most significant environmental problems faced by Australians today and then focuses on solutions, both on a large and small scale. Colour photographs, technology boxes, maps and glossaries are included. Each book covers a key issue and gives readers answers to difficult questions. 32 pages. Suitable for Upper Primary.

Sharing Our Stories

Author: L Thompson

Imprint: Pearson Library

List Price: \$24.95

Each **Sharing Our Stories** titles focuses on one Indigenous Australian community. The opening of each book is built around a series of photographs describing the local community setting, and establishing the community in a particular place and time.

Following this is one story shared by that particular community, which conveys a message connected to the group's traditions or social conventions. The stories are illustrated with paintings and drawings by children from the local community. Using a mixture of traditional and modern-day influences, the artwork brings the stories to life through the children's personal interpretations. 24 pages. Suitable for Middle Primary.

Bunjil the Eagle	978 1 4425 4688 2
Creation of Trowenna, The	978 1 4425 4689 9
The Moon and the Gecko	978 1 4425 4691 2
