Sharing Our Stories is a series of 14 books that presents studies of Indigenous culture. Each book in the series shares a traditional story from the Indigenous community. The stories convey messages connected to the community's traditions, cultural practices and creation beliefs.

### Features of this book include:

- A traditional story selected by the community for sharing
- Illustrations for the story by children from the community and a series of photographic portraits and interviews
- The story presented in its traditional language
- A running glossary that defines new and difficult words and concepts
- An index.
